## Manufacturing tough, innovative equipment that moves you forward.

### QUALITY

When it comes to quality, we never compromise. From production to service, we deliver equipment that's built to last. That's what Ledwell Made means.

### GRIT

We work hard. We're problem solvers. We meet customer challenges with innovative solutions. We get it done.

### LEGACY

It took sweat, dedication, and a lot of hard work to build this company. This legacy guides us today.

### FAMILY

Our people care. We do what's right for our employees, our customers, and our community – because that's what family does.

CHASSIS.....	8

# FIRE TANKER

## Quick response for rural fires

When it comes to rural fires, Ledwell Custom Fire Tankers are a crucial member of the team. Our tanks are designed to carry enough water to control most rural fires. They're lined with a thick interior protective coating that prevents corrosion and extends the tank's life. All Ledwell Water Tank Fire Trucks for sale are built with the baffling setup required under NFPA 701 Tank Construction standards.

# BRUSH TRUCK

## Flexible truck for rural rescues

Need a responder vehicle for rural terrain?

Turn to the Ledwell Brush Truck, a versatile rescue truck that can haul water and remove obstacles in rural areas. Available with a 200 to 400-gallon water haul capacity, our selection of brush trucks include two-wheel and four-wheel drive options.

details

# LUBE BUDDY

Perform lube service and maintenance directly in the field.

Two options provide a mobile service center designed for your light-duty pickup truck or medium-duty flatbed. The Lube Buddy, Jr, or Lube Buddy Max are easily transferable from the truck to the job site, making the Lube Buddy work where you need it.

Available with two 20-gallon fresh tanks and one 40-gallon waste tank or 100 and 50 gallon fresh tanks and 150-gallon waste tank, respectively. The Lube Buddy is a must-have for any operation to service equipment when and where you need to.
